# LEARNING PROGRESS REPORT

Xpresso 4 - UI/UX Design And Development

Jonathan Natannael Zefanya

MSIB LearningX Batch 7

Siswa belum menyelesaikan kelas, nilai yang ditampilkan dapat berubah sewaktu-waktu sesuai dengan progress siswa

Peringkat Siswa

Rank -

dari 70 siswa

Nilai Rata-rata

-

dengan index 100

Progres Belajar

19 dari 21

materi dipelajari

Progress Summary

| Session    | Progress   | Status          |
|------------|------------|-----------------|
| Video      | 11 dari 11 | Selesai         |
| Article    | 4 dari 4   | Selesai         |
| Assignment | 4 dari 5   | Sedang berjalan |
| Quiz       | 0 dari 1   | Sedang berjalan |

Task List

| Task title            | Type       | Score             |
|-----------------------|------------|-------------------|
| Tugas Minggu #1       | Assignment | 100               |
| Tugas Minggu #2       | Assignment | Belum dikumpulkan |
| Tugas Minggu #3       | Assignment | Belum dikumpulkan |
| Tugas Minggu #4       | Assignment | Belum dikumpulkan |
| Final Exam - UI/UX    | Quiz       | -                 |
| Final Project - UI/UX | Assignment | -                 |

## Detail Pembelajaran

| Judul Bacaan                                  | Status / Nilai    |
|---|-------------------|
| Chapter 1: Figma Introduction                 |                   |
| Video 1-1: Figma Introduction                 | ✓                 |
| Bacaan 2-1: Figma Introduction                | ✓                 |
| Video 1-2: Praktek Figma                      | ✓                 |
| Tugas Minggu #1                               | ✓                 |
| Tugas Minggu #1                               | 100               |
| Chapter 2: UI Design Principles               |                   |
| Video 2-1: UI Design Principles               | ✓                 |
| Bacaan 2-1: UI Design Principles              | ✓                 |
| Video 2-2: Design System + Demo Create Button | ✓                 |
| Tugas Minggu #2                               | ✓                 |
| Tugas Minggu #2                               | Belum dikumpulkan |
| Chapter 3: Low-Fidelity Design                |                   |
| Video 3-1: Low-Fidelity Design                | ✓                 |
| Bacaan 3-1: Prototype - Low Fidelity Design   | ✓                 |
| Video 3-2: Demo Figma (Low-Fidelity Design)   | ✓                 |
| Tugas Minggu #3                               | ✓                 |
| Tugas Minggu #3                               | Belum dikumpulkan |
| Chapter 5: High-Fidelity Design               |                   |
| Video 4-1: High-Fidelity Design               | ✓                 |
| Bacaan 4-1: Prototype - High Fidelity Design  | ✓                 |
| Tugas Minggu #4                               | ✓                 |
| Tugas Minggu #4                               | Belum dikumpulkan |

## Detail Pembelajaran

| Judul Bacaan          | Status / Nilai |
|-----------------------|----------------|
| Final Exam - UI/UX    | -              |
| Final Project - UI/UX | -              |
